

Internship Opportunity

Job Title:	Web Developer
Company Description:	Pre-employment Background checks
Location:	Basingstoke, Hampshire
Stay duration:	6 – 12 months
Start Date:	January / February 2011

Job Description:

The successful applicant can look forward to working in a dynamic company where they will make a major impact at every level of the business.

Central to the business are a number of websites and web-based systems, all built on MySQL databases and coded with PHP. These websites and systems give us the technological edge that firmly establishes this company as the market leader in their sector. To aid their continued growth they are seeking a talented Web Developer.

This is a very high visibility role, and tasks and responsibilities will include:-

- Carry out a range of development projects
- Maintain and develop existing sites
- Solve complex numerical problems
- Carry out coding of websites
- Propose and implements web based solutions
- Update databases
- Hours of work Monday – Friday, 08.30am – 17.30pm

Essential requirements:

- Fluent written and spoken English
- Studying a relevant Masters or Under graduate degree
- Excellent working knowledge of the PHP programming language, relational database principles and integration with MySQL database server and the ability to code in PHP
- A strong ability to solve numerical problems and implement web based solutions
- Experience with HTML, Javascript and CSS and ability to code websites in HTML
- The ability to use Adobe Photoshop for graphical manipulation or some equivalent graphics design software
- A mathematical background
- Ability to communicate with internal staff at all levels
- A friendly, positive can do attitude

Desirable attributes:

- Portfolio of previous website projects that show level of work and expertise would be very advantageous
- Search engine principles and optimisation knowledge
- Knowledge of current internet standards and security

Company activity:

- The company is a leading pre-employment screening business. Their business help airlines and airport based companies conduct reference checks to comply with the strict anti-terrorism legislation in place.
- We run sophisticated web portals which are the cloud based software solution upon which the business is based.

Location:

- The company is based in prestigious modern offices in the heart of Basingstoke's central business district, "Basing View". The offices are just a short walk from both the train and bus stations.
- Basingstoke itself is a thriving metropolis just 40 minutes South West of London and just one hour North of South coast. It has direct train routes into London and is well connected with all other towns in the region
- The town has plenty of good shops, bars and restaurants, as well as excellent leisure facilities (cinemas, swimming pools, gyms etc). Accommodation is widely available in shared houses and long-term accommodation can normally be found within 10 days of your arrival.

Remuneration details:

- A training allowance of £700 a month will be provided to assist with accommodation and subsistence costs. There is also subsidised gym membership available.
- **NB: This remuneration package is not negotiable under ANY circumstances. Any attempt by the applicant to re-negotiate the remuneration will result in immediate and permanent withdrawal of our services.**
